Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

29 September 13, 2016

LORI GLASGOW
EXECUTIVE OFFICER

**APPROVAL OF A PARK MAINTENANCE SERVICES CONTRACT
WITH MARIPOSA LANDSCAPES, INC.
FOR THE LA PUENTE AREA PARKS
(SUPERVISORIAL DISTRICT 1) (3 VOTES)**

SUBJECT

Approval of the recommended actions will allow the Department of Parks and Recreation to award a Park Maintenance Services Contract to Mariposa Landscapes, Inc. for the La Puente Area Parks.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the approval of the Park Maintenance Services Contract with Mariposa Landscapes, Inc. is categorically exempt from the California Environmental Quality Act for the reasons stated herein and the reasons reflected in the record of the Contract.
2. Find that the recommended Park Maintenance Services Contract can be more economically performed by an independent contractor than by County of Los Angeles employees for the La Puente Area Parks.
3. Approve and instruct the Chair to sign a Park Maintenance Services Contract with Mariposa Landscapes, Inc. for the La Puente Area Parks, for an annual base Contract cost of \$501,436, for a term of five years with three one-year renewal options, for a maximum potential term of eight years, and an anticipated total maximum Contract cost of \$4,011,488, effective October 1, 2016. This amount does not include the Cost of Living Adjustments, if any, to be exercised by the Director of the Department of Parks and Recreation.
4. Authorize the Director of the Department of Parks and Recreation to exercise three contract

renewal options, annually, if in the opinion of the Director, the Contractor has successfully performed the previous contract period and the services are still required and remain cost effective. Such renewal may include a Cost of Living Adjustment, per option year, subject to approval by the Chief Executive Office.

5. Authorize the Director of the Department of Parks and Recreation to increase the La Puente Area Parks Park Maintenance Services Contract cost by 10 percent, as needed, during each contract year, totaling up to \$50,143, as a contingency amount, for unforeseen services/emergencies and/or additional work within the scope of the contract, which could increase the total annual contract amount to a maximum of \$551,579.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The recommended Park Maintenance Services Contract (Contract) with Mariposa Landscapes, Inc. (Contractor) is for park maintenance services for the La Puente Area Parks, which expires on September 30, 2016. The private sector has been providing park maintenance services for the La Puente Area Parks since November 1988. This is part of the continuing effort on behalf of the Department of Parks and Recreation (Department) to provide the best possible service to the public in a cost-effective manner.

The Department's cost analysis shows that services can be performed more economically by an independent Contractor (Attachments I, II, III). The proposed contracted services will enable the Department to continue to provide park maintenance services at the present service level, which will ensure park patrons enjoyment of the La Puente Area Parks, upon expiration of the current term extension, resulting in continued savings to the County of Los Angeles (County).

Implementation of Strategic Plan Goals

The recommended Contract will further the County's Strategic Plan Goals of Operational Effectiveness/Fiscal Sustainability (Goal 1), by maximizing the effectiveness of park maintenance services, structure and operations to support timely delivery of customer-oriented and efficient public services; and Community Support and Responsiveness (Goal 2), by strengthening and enhancing the County's capacity to sustain essential County services through proactive and prudent fiscal policies and stewardship.

FISCAL IMPACT/FINANCING

In accordance with County policy, the Contract contains a Cost of Living Adjustment (COLA) provision, based on an annual rate, as determined by the Chief Executive Office (CEO), whereby the Director of Parks and Recreation (Director), at his sole discretion, may increase the Contractor's compensation during the option years. The COLA rate is capped at the lesser of the most recently published percentage change in the Bureau of Labor Statistics, Los Angeles-Riverside-Orange County, Consumer Price Index for Urban Consumers for the 12-month period preceding the Contract anniversary date; or the general salary movement percentage for County employees for the 12-month period preceding the prior July 1st.

The decision to include the COLA is based on the Department's experience, that the Contractor may incur an increase in costs, such as insurance premiums, fuel, etc., during the option years, which could impact its performance. As a result, this provision allows the Director to review cost information, during the option years, to determine if the COLA is justified, subject to approval by the

CEO. The Department will comply with the newly adopted Board policy to exclude the cost of labor from the base upon which a COLA is calculated, unless the Contractor can show that its labor cost will actually increase.

The Proposition A cost analysis indicates that the recommended Contract for park maintenance services can be performed more economically by the private sector (Attachments I, II, III). The total County cost to provide park maintenance services at the La Puente Area Parks by County staff would be \$614,945 annually. The recommended Contractor's direct cost to perform similar services is \$501,436 annually. This reflects an annual savings of \$113,509.

The following are the recommended potential maximum Contract costs for:

- Initial term of five years; \$2,507,180.
- Initial term of five years, plus the three option years; \$4,011,488.
- Initial term, plus the three option years, plus the annual 10 percent contingency; \$4,412,632.

The Department will not request that the Contractor perform services that will exceed the approved maximum Contract amount, which may include the 10 percent contingency fee or COLA increase, without the prior approval of the Board.

Operating Budget Impact

The recommended Contract will increase the current annual base Contract cost by \$126,352, from \$375,084 to \$501,436. Sufficient funding is included in the Department's Operating Budget for this increase.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Proposition A cost analysis indicates that the recommended park maintenance services can be performed more economically by the private sector (Attachments I, II and III).

The Contractor has agreed to comply with the County's Living Wage Program and Proposition A requirements. The Contract complies with all of the requirements of the Los Angeles County Code, Section 2.201 and Chapter 2.121.

In compliance with the provisions of Los Angeles County Code Sections 2.121.250, through 2.121.420, the Department solicited proposals from private contractors for park maintenance services for the La Puente Area Parks.

The mandatory requirements for contracting, as identified in Section 2.121.380 of the County Code, have been met.

The Proposition A cost analysis was performed internally, using the guidelines and methodologies consistent with the Auditor-Controller procedures.

The award of this Contract will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. This Contract contains terms and conditions supporting your Board's ordinances, policies, and programs, including but not limited to: County's Greater Avenues for Independence (GAIN) and General Relief Opportunities for Work (GROW) Programs, Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby

Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code Chapter 2.202; Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; Defaulted Property Tax Reduction Program Ordinance, Los Angeles County Code, Chapter 2.206; and the standard Board-directed clauses that provide for Contract termination or renegotiation.

The California State Department of Industrial Relations, Division of Labor Standards Enforcement, has returned its report indicating no negative information on the Contractor.

The County maintains databases that track and monitor Contractor's performance history. Information entered into such databases may be used for a variety of purposes, including determining whether the County will exercise a Contract term extension option. No negative information was found for this Contractor.

The Contractor has executed the attached Contract and will provide the required insurance policies prior to the start of this Contract naming the County and the Department as additional insured.

County Counsel has approved the Contract as to form.

ENVIRONMENTAL DOCUMENTATION

The proposed approval of the Park Maintenance Services Contract with Mariposa Landscapes, Inc. is categorically exempt from the California Environmental Quality Act (CEQA). The Contract, which consists of park maintenance services for the La Puente Area Parks, is within certain classes of projects that have been determined not to have a significant effect on the environment in that it meets the criteria set forth in Section 15301 (h) of the State CEQA Guidelines and Class 1(j) of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G, because the proposed Contract provides for the maintenance of existing landscaping at existing facilities involving negligible or no expansion of use.

CONTRACTING PROCESS

On February 17, 2016, the Department posted the solicitation for park maintenance services with a notice for Request For Proposals (RFP) on the County's "Doing Business with Us" website and included a link to download the solicitation package and bilingual instructions on how to contact the Department regarding this RFP. Attachment IV is a listing of Contractors who are registered for park maintenance services on the County's website and whom received notification of this project. Prospective Contractors were additionally solicited by placing a legal ad in the San Gabriel Valley Tribune, a newspaper of general circulation, on February 25, 2016.

On March 3, 2016, seven companies attended the Mandatory Proposers' Conference held at San Angelo Park and it was immediately followed by the mandatory site visits at Avenue Park, Avocado Heights Park, Bassett Park, Allen J. Martin Park, Rimgrove Park, Sunshine Park, and the East Agency Headquarter Facility. On March 21, 2016, the Department received two proposals. The proposals were reviewed to ensure compliance with mandatory minimum requirements outlined in the RFP. Each of the proposals met the mandatory requirements and were evaluated by an Evaluation Committee.

The Evaluation Committee consisted of three Department employees. The Evaluation Committee reviewed each proposal for business experience, qualifications, staffing plan requirements, compliance with the Living Wage Program requirements, quality control plan and the ability to accomplish the required park maintenance services.

Based on the evaluation of the proposals, it is recommended that this contract be awarded to the incumbent, Mariposa Landscapes, Inc., the highest-rated, most responsive, and responsible proposal as recommended above.

Attachment V reflects the Contractor's minority participation. It should be noted that upon final analysis and award, the Contractor was selected without regard to gender, race, creed, or color.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this Contract will not infringe on the role of the County in its relationship to its residents, and the County's ability to respond to emergencies will not be impaired. In addition, the County has determined that it has alternative resources available in the event of a default. This contract will not result in the displacement of any County personnel, as these services are currently being performed by the private sector. Therefore, there will be no negative impact to existing staff or service levels.

CONCLUSION

It is requested that two adopted copies of the action taken by your Board and two fully executed copies of the attached Agreement be forwarded to the Department of Parks and Recreation.

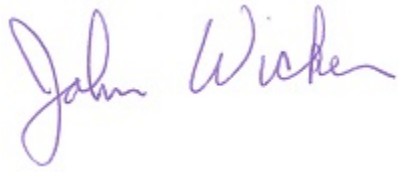

Should you have any questions please contact Matthew Green at (626) 821-4658 or mgreen@parks.lacounty.gov or Carla Malekian at (626) 821-4604 or cmalekian@parks.lacounty.gov; Kasey Dizon at (213) 738-2986 or kdizon@parks.lacounty.gov, or Kaye Michelson at (213) 738-2955 or kmichelson@parks.lacounty.gov.

{A} The contractor has indicated that they can perform the services with less full-time equivalent staff since they are performing similar services in the area. The number of County positions is based on the total number of hours divided by the annual County productive hours of 1,761.

{B} The County's and contractor's salary costs are based on full-time staff as well as a percentage of staff's time. In addition, the contractor's employees are paid more than \$5 less per hour than the County items. The contractor's salary costs are approximately 47.66% of the contract costs.

{C} Contractor will not be providing health benefits to those hourly employees providing services under this contract. Therefore, as required by the Living Wage Ordinance, contractor will pay its hourly employees at least \$13.25 per hour per employee. Contractor provides health care benefits to supervisors.

{D} As indicated on Attachment II, the Contractor's total costs for services, supplies, and equipment are approximately 17.95% of the contract costs.

{E} Contractor's indirect costs (overhead) are approximately 28.62% of the contract costs and are associated with the cost of insurance premiums, employee taxes, management, telephone, utilities, office equipment and bookkeeping. For this contract, County's indirect costs are unavoidable and are associated with contract administration and monitoring.

Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.7 COMPLIANCE WITH CIVIL RIGHTS LAWS

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The Contractor shall comply with Exhibit D, Contractor's EEO Certification.

8.8 COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM

8.8.1 Jury Service Program:

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit J and incorporated by reference into and made a part of this Contract.

8.8.2 Written Employee Jury Service Policy.

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its

“exception status” from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County’s satisfaction that the Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that the Contractor continues to qualify for an exception to the Program.

4. Contractor’s violation of this sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 CONFLICT OF INTEREST

- 8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County’s approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County’s approval or ongoing evaluation of such work.
- 8.9.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph shall be a material breach of this Contract.

8.10 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.11 CONSIDERATION OF HIRING GAIN/GROW PARTICIPANTS

8.11.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor. Contractors shall report all job openings with job requirements to: GAINGROW@dpss.lacounty.gov to obtain a list of qualified GAIN/GROW job candidates.

8.11.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.12 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.12.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Contractors.

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a

specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the Contractor may have with the County.

8.12.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been

in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The County or its agent will evaluate the Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing the Contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are severe or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors.

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Change Notices and Amendments prepared pursuant to Subsection 8.1, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Change Notices and Amendments to this Contract, such that the parties need not follow up facsimile transmissions

8.20.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. - 8.28.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.
- 8.28.6 The Contractor shall allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this sub-paragraph 8.28 when so requested by the County.
- 8.28.7 If the County finds that any provisions of this sub-paragraph 8.28 have been violated, such violation shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.
- 8.28.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.36 PUBLIC RECORDS ACT

8.36.1 Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to Subsection 8.38, Record Retention and Inspection/Audit Settlement of this Contract; as well as those documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.36.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.37 PUBLICITY

8.37.1 The Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise

provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Contract within the following conditions:

- The Contractor shall develop all publicity material in a professional manner; and
- During the term of this Contract, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the Director. The County shall not unreasonably withhold written consent.

8.37.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this Subsection 8.37 shall apply.

8.38 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.38.1 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County's

Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

- 8.38.2 Failure on the part of the Contractor to comply with any of the provisions of this sub-paragraph 8.38 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.
- 8.38.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.
- 8.38.4 In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including, certain records related to non-County contracts) to enable the County to evaluate the Contractor's compliance with the County's Living Wage Program, that the Contractor shall promptly and without delay provide to the County, upon the written request of the County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the County under this Contract, including without limitation, records relating to work performed by said employees on the Contractor's non-County contracts. The Contractor further acknowledges that the foregoing requirement in this subparagraph relative to Contractor's employees who have provided services to the County under this Contract is for the purpose of enabling the County in its discretion to verify the Contractor's full compliance with and adherence to California labor laws and the County's Living Wage

Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

8.40 SUBCONTRACTING

- 8.40.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.
- 8.40.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:
- A description of the work to be performed by the Subcontractor;
 - A draft copy of the proposed subcontract; and
 - Other pertinent information and/or certifications requested by the County.
- 8.40.3 The Contractor shall indemnify, defend, and hold the County harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were the Contractor employees.
- 8.40.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

- 8.40.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its Subcontractors of this County right.
- 8.40.6 The Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and Subcontractor employees. After approval of the subcontract by the County, Contractor shall forward a fully executed subcontract to the County for their files.
- 8.40.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all Subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.40.8 The Contractor shall obtain certificates of insurance, which establish that the Subcontractor maintains all the programs of insurance required by the County from each approved Subcontractor. The Contractor shall ensure delivery of all such documents to:

County of Los Angeles
Department of Parks and Recreation
Attention: Contracts and Golf Division
301 N. Baldwin Avenue
Arcadia, CA 91007-2697,

before any Subcontractor employee may perform any work hereunder.

8.41 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in Subsection 8.14, Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to Subsection 8.43, Termination for Default, and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.42 TERMINATION FOR CONVENIENCE

- 8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.
- 8.42.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:
- Stop work under this Contract on the date and to the extent specified in such notice, and
 - Complete performance of such part of the work as shall not have been terminated by such notice.
- 8.42.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with Subsection 8.38, Record Retention and Inspection/Audit Settlement.

8.43 TERMINATION FOR DEFAULT

- 8.43.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of the Director:
- Contractor has materially breached this Contract; or
 - Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
 - Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.
- 8.43.2 In the event that the County terminates this Contract in whole or in part as provided in Subparagraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The

Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this sub-paragraph.

- 8.43.3 Except with respect to defaults of any Subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Subparagraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Contractor and Subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this sub-paragraph, the term "Subcontractor(s)" means Subcontractor(s) at any tier.
- 8.43.4 If, after the County has given notice of termination under the provisions of this Subsection 8.43, it is determined by the County that the Contractor was not in default under the provisions of this Subsection 8.43, or that the default was excusable under the provisions of Subparagraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Subsection 8.42, Termination for Convenience.
- 8.43.5 The rights and remedies of the County provided in this Subsection 8.43 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.44 TERMINATION FOR IMPROPER CONSIDERATION

- 8.44.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award,

amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

- 8.44.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- 8.44.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.45 TERMINATION FOR INSOLVENCY

- 8.45.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

 - The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
 - The appointment of a Receiver or Trustee for the Contractor; or
 - The execution by the Contractor of a general assignment for the benefit of creditors.

8.46 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County

Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.47 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.49 WAIVER

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this sub-paragraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 WARRANTY AGAINST CONTINGENT FEES

8.50.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.50.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.51 WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.52 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Subsection 8.51, Warranty of Compliance with County's Defaulted Property Tax Reduction Program, shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

8.53 TIME OFF FOR VOTING

The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). 9.0 UNIQUE TERMS AND CONDITIONS

9.1 COMPLIANCE WITH THE COUNTY'S LIVING WAGE PROGRAM

9.1.1 Living Wage Program

This Contract is subject to the provisions of the County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of

which is attached as Exhibit L and incorporated by reference into and made a part of this Contract.

9.1.2 Payment of Living Wage Rates

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that the Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), the Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth in Exhibit L1, for the Employees' services provided to the County, including, without limitation, "Travel Time" as defined below at subsection 5 of this subparagraph 9.1.2 under the Contract:
2. For purposes of this subparagraph, "Contractor" includes any Sub-Contractor engaged by the Contractor to perform services for the County under the Contract. If the Contractor uses any Sub-Contractor to perform services for the County under the Contract, the Sub-Contractor shall be subject to the provisions of this subparagraph. The provisions of this subparagraph shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the subcontract. "Employee" means any individual, who is an employee of the Contractor under the laws of California, and who is providing full-time or part-time services to the Contractor, which are provided to the County under the Contract. "Full-time" means a minimum of forty (40) hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than thirty-five (35) hours worked per week will not, in any event, be considered full-time.
3. If the Contractor is required to pay a living wage when the Contract commences, the Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.
4. If the Contractor is not required to pay a living wage when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. The Contractor shall immediately notify the County if the Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if the Contractor no longer qualifies for the exception to the Living Wage Program. In either event, the

Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that the Contractor continues to qualify for the exception to the Living Wage Program. Unless the Contractor satisfies this requirement within the time frame permitted by the County, the Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

5. For purposes of the Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the following two meanings, as applicable: 1) With respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time; and 2) With respect to travel by an Employee between County facilities that are subject to two different contracts between the Contractor and the County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time.

9.1.3 Contractor's Submittal of Certified Monitoring Reports

The Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of the Contractor's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked and the hourly wage rate paid, for each of its Employees. All certified monitoring reports shall be submitted on forms provided by the County, or other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, the Contractor shall promptly provide such information. The Contractor, through one of its officers, shall certify under

penalty of perjury that the information contained in each certified monitoring report is true and accurate.

9.1.4 Contractor's Ongoing Obligation to Report Labor Law-Payroll Violations and Claims

During the term of the Contract, if the Contractor becomes aware of any labor law-payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law-payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law-payroll violation or claim arising out of the Contractor's contract with the County, but instead applies to any labor law-payroll violation or claim arising out of any of the Contractor's operations in California.

9.1.5 County Auditing of Contractor Records

Upon a minimum of twenty-four (24) hours' written notice, the County may audit, at the Contractor's place of business, any of the Contractor's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The Contractor is required to maintain all such records in California until the expiration of four (4) years from the date of final payment under the Contract. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

9.1.6 Notifications to Employees

The Contractor shall place County-provided living wage posters at each of the Contractor's places of business and locations where the Contractor's Employees are working. The Contractor shall also distribute County-provided notices to each of its Employees at least once per year. The Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of Employees.

9.1.7 Enforcement and Remedies

If the Contractor fails to comply with the requirements of this subparagraph, the County shall have the rights and remedies

described in this subparagraph in addition to any rights and remedies provided by law or equity.

1. Remedies For Submission of Late or Incomplete Certified Monitoring Reports. If the Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

- a. Withholding of Payment. If the Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to the Contractor up to the full amount of any invoice that would otherwise be due, until the Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
- b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages in the amount of one hundred dollars (\$100) per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.
- c. Termination. The Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

2. Remedies for Payment of Less Than the Required Living Wage. If the Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:
 - a. Withholding Payment. If the Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due the Contractor the aggregate difference between the living wage amounts the Contractor was required to pay its Employees for a given pay period and the amount actually paid to the employees for that pay period. The County may withhold said amount until the Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages of fifty dollars (\$50) per Employee per day for each and every instance of an underpayment to an Employee. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.
 - c. Termination. The Contractor's continued failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.
3. Debarment. In the event the Contractor breaches a requirement of this subparagraph, the County may, in its sole discretion, bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, in

accordance with Los Angeles County Code, Chapter 2.202, Determinations of Contractor Non-Responsibility and Contractor Debarment.

9.1.8 Use of Full-Time Employees

The Contractor shall assign and use full-time Employees of the Contractor to provide services under the Contract unless the Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time Employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that the Contractor shall not, under any circumstance, use non-full-time Employees for services provided under the Contract unless and until the County has been provided written authorization for the use of same. The Contractor submitted with its proposal a full-time Employee staffing plan. If the Contractor changes its full-time Employee staffing plan, the Contractor shall immediately provide a copy of the new staffing plan to the County.

9.1.9 Contractor Retaliation Prohibited

The Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of the Living Wage Program to the County or to any other public or private agency, entity or person. A violation of the provisions of this subparagraph may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

9.1.10 Contractor Standards

During the term of the Contract, the Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, the Contractor shall demonstrate to the satisfaction of the County that the Contractor is complying with this requirement.

9.1.12 Neutrality in Labor Relations

The Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of the Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining Contract, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

 - b. Delete the transferred facility(ies) from the Contract or, provided there is consent by assignee, assign those portion(s) of the Contract dealing with the transferred facility(ies) to said assignee and reduce the sum of the Contract pro tanto. The County shall provide the Contractor with notice of deletion or assignment of said facility(ies) pursuant to this provision from this Contract; or
 - c. Delete transferred portion(s) of the facility(ies) from the Contract or, provided there is consent by an assignee, assign the portion(s) of the Contract dealing with the transferred portion(s) of the facility(ies) to said assignee and reduce the Contract sum pro tanto. The County shall provide the Contractor with notice of deletion or assignment of said portion(s) of facility(ies) pursuant to this provision from this Contract.
- 9.2.3 In the event the County closes one or more of the facilities described in Exhibit B, Section 2.0, Facilities to be Maintained, the County reserves the right to:
- a. Terminate this Contract upon the effective date of such closure(s). Upon the effective date of park closures(s), the Contractor shall immediately cease its operations, and within fifteen (15) days therefrom remove all items of its personal

property, equipment and inventory. The County shall provide advance notice to the Contractor of such park closure(s); or

- b. Delete the facility (ies) to be closed from the Contract and reduce the Contract sum pro tanto. Upon the effective date of park closure(s), the Contractor shall immediately cease its operations at said facility(ies), and within fifteen (15) days therefrom remove all items of its personal property, equipment and inventory. The County shall provide advance notice to the Contractor of such park closure(s).

9.3 EXTRAORDINARY INCIDENTS, ACTS OF GOD, THIRD PARTY NEGLIGENCE

Contractor shall notify the Director in writing as soon as reasonably possible on the same day of discovery of any damage due to extraordinary incidents such as Acts of God and suspected third party negligence.

By reasons or acts beyond the control of the County, this Contract may be terminated by the County without liability or damages whenever the County is prevented by operation of laws, Acts of God, or by the official action of Local, State or Federal authorities from complying with the provisions of this Contract.

9.4 PREVAILING WAGES

In accordance with the provisions of Article 2, Chapter 1, Part 7, Division 2 of the Labor Code, the State Department of Industrial Relations has ascertained the prevailing rate of per diem wages in the locality wherein the work is to be performed to be paid each craft or type of worker or mechanic needed to properly perform and complete the contemplated work. The Prevailing Wage for Landscape Laborers is set forth in Exhibit C of this Contract and the prevailing wage determination rates issued by the State Department of Industrial Relations for other craft or type of worker or mechanic that may be utilized to perform the specified work is on file with the Los Angeles County Department of Parks and Recreation, Project Management Agency, and all of these rates will apply to any Contract entered into pursuant thereto. Under the terms of the aforementioned sections, it will be required that no less than the rates so ascertained and set forth shall be paid to all laborers, workers or mechanics employed or engaged in said work. For each person so employed or engaged whether by the Contractor or any subcontractor under him who is paid at a rate less than that specified for the particular work performed, the Contractor shall forfeit to the County as a penalty the sum of Twenty-Five Dollars (\$25) for each day or portion thereof for which said person was paid less than the specified prevailing wage. In the event this Contract is suspended or terminated in whole or in part, by the Board of Supervisors, the Board of Supervisors may instruct the Director to assume the responsibility of said Contract, employ the necessary workers, purchase materials and supplies as may be necessary for the proper performance of the work contracted. For the purpose of satisfying and/or mitigating damages arising from a breach of this Contract, any excess costs as determined by the Director, arising therefrom over and above the compensation set forth within this Contract, may be charged against the Contractor.

In the event of such suspension or termination, all moneys due to Contractor or retained as security under the terms of this Contract shall be retained by the County; but such retention will not release the Contractor from liability for failure to perform under the terms of this Contract.

If in the sole discretion or judgment of the Director, and in accordance with Subsection 8.26, Liquidated Damages, of this Contract, the Contractor and/or its employee(s) are not properly performing the services required under this Contract, then the Contractor and/or all of its employees may be temporarily replaced by County personnel and payment to be made by the County may be suspended while the matter is being investigated. In addition, the total cost as determined by the Director, incurred by County personnel shall be deducted and forfeited from the monthly payment to the Contractor from the County.

- 10.4 In the event the County commences legal proceedings for the enforcement of this Contract or recovery of the premises herein, the Contractor does hereby agree to pay any sum which may be awarded to the County by the Court for attorney's fees and costs incurred in the action brought thereon.

- c. Lightly water the skinned portion of the infield and then drag and level with a Maxwell Steel Planner Drag or its equal, to break the crust and regrade the infield.
- d. Give the skinned areas a finished surface with a drag mat. Said drag, similar to a metal foot scraper constructed of heavy interwoven metal squares, is used to provide a finished surface. If a vehicle is used to tow the drag mat, make sure that the speed is slow enough to prevent the surface material from being thrown into the outfield grass or out of the skinned areas. Particular care shall be given to the transition zone between grass and skinned area surface so that it is smooth.

- b. Turf and weed encroachment shall be prevented within the skinned portion of the ballfield.
- c. A smooth line shall be kept between the turf grass and skinned portion of the ballfield by either mechanically edging or chemical application.
- d. Seasonally excessively wet diamonds may require the working of the skinned area until it is dry enough to prepare for play. Acceptable techniques shall be utilized to provide a playable diamond. If rain has stopped, and water is standing on the diamonds, Contractor shall broom, squeegee, absorb or otherwise remove standing water from the skinned portion of the diamond to help dry it for play.
- e. A soil sterilant or herbicide shall be applied under all fencing that does not have concrete mow strips.
- f. Foul lines and out-of-bound lines that extend into turf areas shall be burnt in on a regular basis to insure their visibility.

Quality Assurance

1) Project Startup and Quality Control Coordination Meeting

The Project Estimator and the Account Manager review the project specifications and visit the project site(s) to develop a work plan for the completion of the project per specifications. A meeting including the Account Manager with key personnel responsible for carrying out the work, is held to discuss and coordinate how the project work will be performed.

Prior to commencement of contract work we will thoroughly inspect and document every deficiency. After this is completed for each location, we will provide a detailed list of every deficiency discovered. We will also include a detailed proposal for restoring the area to its original condition if applicable. This will be the quickest and most cost effective way to bring the areas up to the specified standards.

During the meeting, the Account Manager communicates the work task quality requirements and reinforces heightened awareness for critical requirements. Topics for the meeting include:

- Project requirements per specifications.
- Record keeping documents and availability of necessary forms
- Review methods, sequence of work tasks and timeline.

2) Preparatory Site Inspection

The Account Manager performs a quality inspection of the work area and:

- Assesses the required work to be done per specifications.
- Verifies field measurements.
- Assures availability of required equipment and materials to complete the project.
- Identifies potential problems and develops an action plan to resolve them.

The Account Manager performs ongoing work in process quality inspections to ensure that the work tasks continue to conform to the project quality requirements.

8) Work Task Completion Inspection

Completion inspections are performed for each work task before starting other work activities. Any outstanding punch items remaining after the work task completion inspection is deemed a nonconformance.

9) Control of Punch Items and Nonconformance

Should a problem occur in the quality of work, we systematically contain the issue and quickly make corrections. We expedite a corrective action that brings the workmanship of material issue into conformance by repair, replacement, or rework. Previously completed work is re-inspected for similar non-conformances. In the event that we cannot meet contract specifications, the customer will be notified and customer approval of corrective action is required before proceeding.

Mariposa Landscapes, Inc. systematically prevents recurrences to improve quality. First, management monitoring is put into place to assure work proceeds without incident. Then a structured problem solving process identifies the root of the causes and initiates solutions. Solutions may involve a combination of enhanced process controls, training, upgrading of personnel qualifications, and/or higher grade materials.

Follow up ensures that a problem is completely resolved. Non-conformance and their resolutions are recorded on a Non-Conformance Report.

10) Employee Recruitment and Retention

Mariposa recruits new employees through advertisements in the newspaper and through job fairs at the University of Cal-Poly Pomona. They are evaluated according to their degree of experience in the field of horticulture and training is tailored accordingly. Mariposa uses the ADP background check service on all employees before hiring. This service provides background checks such as social security verification and previous employment. Before working in the field, they are required to watch safety videos on lifting heavy objects and the use of equipment on the job. Following, they are trained on the use of the five most common types of small equipment and subsequently released to their work crews and foremen for a probationary period of ninety days. Every effort is made to retain employees through periodic performance reviews and safety incentives. Mariposa's employee turnover rate is 6 percent.

11) Supervisor/Employee Ratio

Each Account Manager supervises a group of approximately twenty-five workers that breaks down into several work crews, each managed by a Foreman/Field Supervisor. The Account Manager covers a geographical area that will include several contracts for servicing. Each work crew is assigned to service one or more landscape maintenance contracts and is easily accessible to the supervisor through radio, telephone and pager communications, and, through the supervisor's daily inspections of the work locations.

The Account Manager is in daily communication with the Foreman/Field Supervisor personally or by cellular phone or radio to ensure that the schedule of work operations is followed in strict accordance to the guidelines of the contract. The Foreman/Field Supervisor routinely inspects the job site by walking it with his crew lead, identifying areas of concern and keeping the Account Manager in charge of landscape maintenance operations informed as to the condition of the sites in question. All work not in compliance in the opinion of the Account Manager will be addressed immediately through specific instructions to the foreman and crew to perform the corrective work.

12) Employee Training and Supervision

For the first ninety days, training is ongoing with all new employees in the use of small equipment and mowers, application of herbicides and pesticides and in safety awareness. Every facet of the use of tools and equipment in landscape maintenance work is covered from the use of simple hand tools such as hand pruners to driving the company truck. The foreman on the job provides training in a progressive manner as the worker demonstrates skill and the ability to handle other types of equipment. Training in the use of chemicals is carefully done by showing the employee how to read container labels regarding the use of the chemical, its safety precautions, and, its mixing and application rates. A demonstration on the use of the mixing and application equipment and safety gear is covered in detail before the employee is allowed to prepare and apply the chemical.

13) Weekly Safety Meetings

Training the employee to work safely is repeatedly emphasized through on the job training in the correct use of equipment, being aware of what co-workers are doing around them and how to identify and eliminate hazards on the job site. Each employee is required to attend weekly safety briefings covering all aspects of safety issues that relate to their work including having the right safety attitude.

- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you give an employee a Form W-2 on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If you give an employee a substitute Form W-2, but it does not have the required information, you must notify

the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 8, 2016.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can download copies of the notice at www.irs.gov/formspubs. Or you can go to www.irs.gov/orderforms to order it.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

An eligible employee claims the EIC on his or her 2015 tax return. Even an employee who has no tax withheld from wages and owes no tax may claim the EIC and ask for a refund, but he or she must file a tax return to do so. For example, if an employee has no tax withheld in 2015 and owes no tax but is eligible for a credit of \$800, he or she must file a 2015 tax return to get the \$800 refund.

Title 2 Administration
Chapter 2.203 Contractor Employee Jury Service

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Sin pena. Sin culpa. Sin nombres.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

2.201.010 - Findings.

The board of supervisors finds that the county of Los Angeles is the principal provider of social and health services within the county, especially to persons who are compelled to turn to the county for such services. Employers' failure to pay a living wage to their employees causes them to use such services thereby placing an additional burden on the county of Los Angeles.

1. Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the federal Fair Labor Standards Act;
